TESTIMONIALS

"We hired Ryan because of his impressive track record in the industry, and he has surpassed all of our expectations. Ryan is extremely knowledgeable and has been instrumental in our success."

-Spencer Veikle, COO, Bold Growth

"Ryan was fundamental in the development of strategies to help make our business a success."

-Michael Armbrester, Co-founder, ColCanna

"Ryan is one of the most experienced cannabis growth consultants in the industry today."

-Patrick McCartan, CEO, Regennabis

RYAN DOUGLAS CULTIVATION

I help businesses cultivate a profitable future in the cannabis industry.

As a trusted advisor to the CEOs and owners of licensed cultivation businesses, I help improve the profitability of production sites and ensure that expansion projects are a success.

TYPICAL CLIENT RESULTS:

START-UPS

- ✓ **Fast time-to-market**
- ✓ **First mover advantage**
- ✓ **Avoidance of unnecessary expenses**
- ✓ **Seamless expansion to additional sites**

EXISTING OPERATORS

- ✓ **Improved crop quality**
- ✓ **Increased production**
- ✓ **Lower operational expenses**
- ✓ **New revenue from alternative sources**

ABOUT RYAN

Ryan offers cultivation advisory services to cannabis operators worldwide.

He is the founder of Ryan Douglas Cultivation, LLC and author of *From Seed to Success* and *Secrets to Maximizing Profits in the Cannabis Industry*. Ryan has worked in horticulture for 25 years and specializes in commercial cannabis operations.

Before entering the cannabis industry, Ryan spent 15 years as a commercial greenhouse grower of ornamental and edible crops, growing up to 600,000 plants annually. In 2013 he was hired to launch cultivation for Canopy Growth Corporation, and his work has been featured in *Vice*, *The New York Times*, and *Bloomberg News*.
